REPORT AND RECOMMENDATION¹

This case came before the Court for plea proceedings on January 7, 2025 following referral to the undersigned pursuant to Fed. R. Crim. P. 59. Assistant United States Attorneys Elizabeth McCormick and Christina Mahy appeared on behalf of the Government. Rafael Villegas, Esq. appeared and represented Defendant. Defendant verbally consented to proceeding before the United States Magistrate Judge for the plea hearing.

The undersigned examined Defendant under oath as to his understanding of the plea agreement, which Defendant acknowledged in open court. The undersigned also examined Defendant under oath concerning the effect of entering a plea pursuant to that agreement. Having conducted that colloquy, the Magistrate Judge concludes that

¹ Attached is a NOTICE to the parties regarding objections to this Report and Recommendations.

Defendant fully understands the rights waived by entering a guilty plea and is fully competent to enter a guilty plea.

Based on the foregoing, the Magistrate Judge concludes that Defendant's guilty plea to Count One of the Indictment (Doc. No. 2) is a knowing, intelligent, and voluntary plea. The Court also concludes that the statement of facts made a part of the plea agreement, the truth of which Defendant acknowledged in open court, provides a sufficient factual basis for a finding of guilt.

It is therefore **RECOMMENDED** that: (1) the Court accept Defendant's guilty plea to Count One of the Indictment; and (2) Defendant be found guilty as charged in Count One of the Indictment. Anticipating the District Judge's adoption of this Report and Recommendation, the Magistrate Judge referred Defendant for a pre-sentence investigation and remanded him to the custody of the U.S. Marshal.

IT IS SO RECOMMENDED.
